Two other scholarships of the same entity are for the management of the degree course website. Students must have a good knowledge of the Wordpress program and be able to maintain the website in question.

Art.1 - Requirements

Students who are entitled to participate must have enrolled before **31st December 2016, or in other foreseen or regulated cases, by the established dates:**

a) all students who are not involved in a supplementary year (fuori corso) (taking into consideration the academic year in which the student enrolled for

the first time in the degree course of Medicine and Surgery) and have regularly paid their university taxes.

b) students who have an average exam vote of at least 24/30 (the marks obtained in exams taken in other degree course, universities and during Erasmus periods will not be taken into consideration in the calculation of the average score.

The following are excluded from the selection:

- students who have not paid and registered their university taxes by the foreseen deadline;
- students who have been involved in disciplinary action and/or have a criminal record.

The scholarships are compatible with the general pay earned by part-time student collaborators and that earned by students who have won a tutorship (ex-art. 2 of the Ministerial Decree 198/2003) and the exemption from the specific fee (call 23/11/2016).

Art.2 - Calculation of the selection ranking list

To compile the ranking order, the evaluation of the lecturers will be taken into consideration together with the marks obtained in the exams taken by 05/03/2017. The ranking lists will be compiled in descending order according to the evaluation of the lecturers of the module/course and the mark obtained in the exam for which the application has been presented.

In cases of equal rank, the arithmetic average of the marks obtained will be considered. **In ex aequo situations**, the younger student will be considered first. The students that apply for the telematic scholarships will have to declare they have experience in the remote management of the Wordpress programme and the running of a website.

Art.3 - Commission

The compilation of the ranking list will be the responsibility of a Commission comprising n. 3 lecturers of the Degree Course in Medicine and Surgery and a member of the administrative staff appointed by the President of the Degree Course in Medicine and Surgery.
