IN ACCORDANCE WITH the Statute of the University of Rome Tor Vergata adopted through D.R. n. 3427 of 12th December 2011 published in the G.U. n.296 of 21st December 2011 and successive modifications and integrations;

IN ACCORDANCE WITH the ruling from the Plenary Meeting of the State Council n. 1 of 28th January 2015;

IN ACCORDANCE WITH the Regulation approved by the Academic Senate on 19th May 2015 and emended through D.R. n. 1772 of 16th June 2015;

IN ACCORDANCE WITH Ministerial Decree n. 476 of 28th June 2017, which foresees "Modalities and contents of the entrance test in order to gain access to the one cycle master degree course in Medicine and Surgery for the 2017/2018 academic year";

IN ACCORDANCE WITH art. 8, point 8 of the call, which determines the number of places available in the one cycle master degree course in Medicine and Surgery for the 2017/2018 academic year;

AND TAKING INTO CONSIDERATION that, to date, the final selection list has yet to be published;

AND CONSIDERING that the Medicine and Surgery degree course lessons started on 13/11/2017

DECLARES

Art. 1 - Requirements regarding the submission of your transfer request

1. The following students can submit a transfer application:

- Students with **Italian citizenship**,
- Students from the **European Union**,

- **Foreign students from outside the European Union, who officially reside abroad, but who are legally registered in Italy**, in accordance with art. 26 of Law n. 189/2002; and **foreign students, officially residing abroad, enrolled at an Italian university** in accordance with art. 46 of Decree of the President of the Republic n. 394/99.

2. The above-mentioned students must be enrolled in their second year or following years and be up to date with the payment of their university fees for their degree course. Students who are behind with their exams (fuori corso) will not be considered eligible.

3. Transfer applications to the Medicine and Surgery degree course can be submitted only by students who are officially enrolled at their own universities in degree courses **provided in the English Language only** and where participation in such courses requires an admission test in English.

Art. 2 – Number of places available

For the 2017/2018 academic year, the following places are available:

DEGREE COURSE	STUDY YEAR	N. OF PLACES AVAILABLE
MEDICINE AND SURGERY LM-41	2 nd	1
MEDICINE AND SURGERY LM-41	4 th	10
MEDICINE AND SURGERY LM-41	5 th	4

Art. 3 – Application Procedure

Transfer applications, filled out on **form A**, which can be found on the website <http://medschool.uniroma2.it>, must be handed in to the Student Secretarial Office of the degree course in Medicine and Surgery, **by no later than 11th December , 2017**.

Students must include the following documents with their application transfer (**form A**) in a sealed and signed envelope:

- a. A self declaration using Form B, which is available on the website <http://medschool.uniroma2.it>
 1. list of successfully completed exams including grades, dates, ECTS credits, and hours of frontal classes;
 2. the frequency of exams not sustained with relative credits and hours of frontal classes;
 3. practical training activities.
- b. Official regulation of the degree course;
- c. Didactic programme of the degree course;
- d. Copy of a valid identity document.

No additional documents will be accepted after you have submitted your transfer application.

- **Students enrolled in foreign universities, together with their applications, in place of the self-certification referred to paragraph a., should attach the certification issued by their University of origin attesting to the requirements laid out in letter a., together with a certified Italian translation. The documents referred to in subparagraphs b. and c. must be issued, stamped and undersigned by the students' university of origin. This documentation must be provided with a certified translation in Italian.**

Applications which do not include all the requirements laid out in Art. 3 of this Call, or which do not include or only partially include the attachments requested, will be considered invalid.

Art. 4 – Evaluation of Applications

Applications will be evaluated by a Commission of the Degree Course in Medicine and Surgery provided in the English language. The Commission will evaluate all applications in accordance with the following criteria:

- a) the arithmetic average of the exams for a maximum of 60 points, which will be calculated as follows: subtract eighteen from the arithmetic average of exams and multiply the resulting total by five. Partial examination results, "idoneità", or exam validations which have not been registered in thirtieths, will not be considered;
- b) total number of ECTS credits in relation to the number of years of enrolment, for a maximum of 60 points, which will be calculated as follows: 1 point is awarded for each credit obtained, and the resulting sum is then divided by the number of years of enrolment in the degree course in Medicine and Surgery;
- c) Adequacy of the course program regarding the exams sustained in the students' University of origin.

In cases where there are more applications than the number of places available, the Commission will compile a ranking list based on the average score of the successfully sustained and officially registered exams and the total number of ECTS credits obtained in relation with the number of years of enrolment.

In cases where there are equal scores, priority will be given to the youngest candidate.

If the number of applications received is equal to or lower than the number of places available, all requests will be automatically accepted by the Commission, following verification of the application requirements. In such cases, no selection will be carried out by the Commission.

Following the evaluation of applications, the Commission will send their report to the Student Secretarial Office of Medicine and Surgery, indicating the following elements for each student that has applied for a transfer:

- Study year;
- Officially completed and registered exams;
- Authorization to release of "nulla osta" (possibility to enrol).

Art. 5 – Publication of the list of successful students and the issuing of their "nulla osta"

The results regarding transfer requests will be published no later than **December 15th, 2017** on the website <http://medschool.uniroma2.it>.

These publications represent the only way in which the result of the evaluation will be legally notified.

In the period of time between **December 18th, 2017** and no later than **December 22th, 2017**, the students concerned can collect their "nulla osta" and receive instructions on how to enrol, a procedure that must be completed no later than **January 10th, 2018**.

The person responsible for the administrative procedures linked to this call is from the Student Secretarial Office - Medical Area of the Faculty of Medicine and Surgery.
