N.B. The term “official body” refers to all the Universities and all the Public and Private Schools (also International) that are authorized to organize language courses and issue linguistic certification.

Below are listed the specific limits and requirements requested by the various institutions. N.B. it is possible that some partner universities decide to add other limits and restrictions

- 1) **Brest:** a) no scholarships in Paediatrics, Gynaecology and Orthopaedics, b) only 2 scholarships per semester
- 2) **Lille:** a) no scholarships in Neurosurgery and Ophthalmology, b) **Lille 5 months** only 2 scholarships per semester; students can also attend theoretical courses;
- 3) **Brno:** a) no scholarship in Psychiatry
- 4) **Paris:** a) for Paediatrics, there is a limited number of places available ;
- 5) **Porto:** a) no Radiology b) no internal Medicine
- 6) **Wroclaw:** no Radiology in the first semester;
- 7) **Regensburg:** a) it is not possible to attend Paediatrics and Gynaecology in the same semester. Students can frequent only one of the two courses
 - b) in the first semester, there is a maximum of two places available
 - c) it is not possible to apply for an extension for the second semester**
- 8) **Poznan** a) no Public Health, b) no Nephrology,
 - c) no free choice in course selection ("electives")
 - d) no additional Traineeships
- 9) **Szeged:** students can **only attend subjects of the same academic year**, in accordance with the stipulations laid out in the regulations of the university in question;

Please note that:

- a) For the sojourns of 5/6 months, students must depart at the beginning of the first or second semester, in accordance with the starting and finishing dates established by the host university;
- b) For the sojourns in Paris and Valencia (scholarships of 10 months), students must depart at the beginning of the academic year.

1. Requirements

The following students will be considered eligible to apply for the call regarding the assignment of Erasmus+ study scholarships:

students that are officially registered in year IV and that have sat minimum 13 exams, with a weighted average vote of at least 24/30

students that are officially registered in year V and that have sat minimum 17 exams, with a weighted average vote of at least 24/30

students that are officially registered in year VI and that have sat minimum 22 exams, with a weighted average vote of at least 24/30

The evaluation of qualifications in order to compile the ranking list will be carried out as follows:

- a. Enrolled in year IV with an average vote over 13 exams (minimum requirement foreseen in order to apply). Students that have sat more than 13 exams **must** include **only** the 13 exams that they consider most appropriate for their application.
- b. Enrolled in year V with an average vote over 17 exams (minimum requirement foreseen in order to apply). Students that have sat more than 17 exams **must** include **only** the 17 exams that they consider most appropriate for their application.
- c. Enrolled in year VI with an average vote over 22 exams (minimum requirement foreseen in order to apply). Students that have sat more than 22 exams **must** include **only** the 22 exams that they consider most appropriate for their application.

2. Filling out the application form

Please note that when compiling the online application form, students, regarding the item>University degree course, must insert the following words<: **One-cycle Master degree course** and regarding the item>Name of the course< they must insert the title: **Medicine and Surgery**

When compiling the ranking list, only exams that have been taken and officially registered before the expiry date of the present call will be taken into consideration.

Pass-fail exams with no score (idoneità) and partial exams (esoneri) will not be taken into consideration. Should they be included in a student's application, it will automatically be declared invalid.

3. On returning

The exams taken in accordance with the student's study plan established with the Erasmus office in the institution foreseen in the call **and registered in the Transcript of Records** will be officially validated by the **Programme Board CCS** and evaluated according to the conversion Table of exam results approved by the Faculty, and will be considered an integration of the study plan to be carried out in order to graduate.

Students who obtain 3-month scholarships will be entitled to sit a maximum of 3 exams regarding subjects that have been previously studied in courses at the Faculty of Medicine and Surgery at the University of Rome Tor Vergata. Students with a scholarship of 1 semester will be able to sit a maximum of 5 exams regarding subjects that have been studied through the certified attendance of courses at their host university or that have been previously studied in courses at the Faculty of Medicine and Surgery at the University of Rome Tor Vergata.

When compiling the ranking list, only exams that have been taken and officially registered before the expiry date of the call will be taken into consideration. Pass-fail exams with no score (idoneità) and partial exams (lesoneri) will be considered invalid.

2. Filling out the application form

Please note that when compiling the online application form, students, regarding the item>University degree course, must insert the following words<: **One-cycle Master degree course** and regarding the item>Name of the course< they must insert the title: **Dentistry and Dental Prosthetics**

3. Study plan

Students who win a scholarship must produce and organize a study plan together with the **didactic coordinator** for the degree course in Dentistry. The study plan must contain classroom lessons, training, exams and related university credits, to be carried out at the host University. The Learning Agreement (study plan) must be presented and approved by the Degree Course Council (**Consiglio di Corso di laurea**). Please note that during the sojourn at the host University, students will have to attend: practical training (professional didactics) and lessons (classroom teaching) equivalent to the academic year that students would have followed in their University of origin, and take exams. On returning, students must go to the Erasmus office and hand in detailed and approved certification issued by the offices of the host University regarding the didactic activities carried out and the university credits obtained, together with clearance (nulla osta) issued by the Erasmus office of the University. The **Programme Board CCS** of Dentistry will validate the following:

- 1) The hours and credits of classroom lessons equivalent to the corresponding course in Italy;

- 2) The number of hours and credits regarding practical training (professional didactics) equivalent to the programme organized by the student with the **Programme board (CCS)** of Dentistry;
- 3) The exams taken that were included in the Learning Agreement approved by the **Programme board (CCS)** before departure.

1. Requirements

The following students will be considered eligible to apply for the call regarding the assignment of Erasmus+ study scholarships:

- 1) **3-year Degree Course in Nursing:**
 students officially registered in year I who have sat at least 2 exams
 students officially registered in year II who have sat at least 4 exams
 students officially registered in year III and Fuori Corso students (those behind in the course schedule) who have sat at least 10 exams.
- 2) **Specialist Degree Course in Nursing:**
 students officially registered in year I
 students officially registered in year II who have sat at least 4 exams
- 3) **Doctorate in Nursing:** post-graduates who are officially registered.

The evaluation of qualifications in order to compile the ranking list will be carried out as follows:

Bachelor's Degree Course in Nursing:

- a. Students enrolled in year I with a weighted average for 2 exams (minimum requirement for application). Students that have sat more than 2 exams **must** include **only** the 2 exams that they consider most appropriate for their application.
- b. Students enrolled in year II with a weighted average for 4 exams (minimum requirement for application). Students that have sat more than 4 exams **must** include **only** the 4 exams that they consider most appropriate for their application.
- c. Students enrolled in year III and Fuori Corso students (those behind in the course schedule) with a weighted average for 10 exams (minimum requirement for application). Students that have sat more than 10 exams **must** include **only** the 10 exams that they consider most appropriate for their application

Specialist Degree Course in Nursing:

- a. Students enrolled in year I with a weighted average for 10 exams (minimum requirement for application). Students that have sat more than 10 exams **must** include **only** the 10 exams that they consider most appropriate for their application.
- b. Students enrolled in year II with a weighted average for 4 exams (minimum requirement for application). Students that have sat more than 4 exams **must** include **only** the 4 exams that they consider most appropriate for their application.

Doctorate in Nursing:

- a. Students enrolled in a research doctorate **must** include the 10 exams from their Specialist Degree in Nursing which they consider to be the most appropriate for their application.

When compiling the ranking list, only exams that have been taken and officially registered before the expiry date of the call will be taken into consideration. Pass-fail exams with no score (idoneità) and partial exams (esoneri) will be considered invalid.

2. Filling out the application form:

Please note that when compiling the online application form:

- 1) For the 3-year degree: students regarding the item >University degree course< must insert the following words: **Bachelor's degree course** and regarding the item>Name of the course<they must insert the title: **Nursing**
- 2) For the specialist degree (Master): students regarding the item >University degree course< must insert the following words: **Specialist degree course** and regarding the item>Name of the course<they must insert the title: **Nursing and Midwifery Sciences**
- 3) For the doctorate: students regarding the item >University degree course< must insert the following words: **Specialist degree course** and regarding the item>Name of the course<they must insert the title: **Research Doctorate in Nursing**

3. Study plan

Approval of study plan abroad:

Nursing students (Bachelor's/specialist), **of any institution**, must, together with the **didactic secretarial office** for Nursing of Tor Vergata (room D14), organize a study plan including the exams, lessons and training that they will do abroad and obtain prior authorization so that, on their return from their study period abroad, their exams and training can be approved by the **Programme Board (C.C.S.)** of Nursing. Once approval of the plan has been obtained, the Learning Agreement must be handed in at the Erasmus office of the Faculty within the expiry date foreseen by the host University for the enrolment of Erasmus students in the first or second semester. On return to Italy, in order to officially register their credits obtained abroad, students must consign the necessary documentation to the Erasmus office.

Students that have sat more than 10 exams **must** include **only** the 10 exams that they consider most appropriate for their application.

When compiling the ranking list, only exams that have been taken and officially registered before the expiry date of the call will be taken into consideration. Pass-fail exams with no score (idoneità) and partial exams (esoneri) will be considered invalid.

2. Filling out the application form

Please note that when compiling the online application form, students, regarding the item>University degree course, must insert the following words<: **Bachelor's degree course** and regarding the item>Name of the course< they must insert the title: **Dietetics**

3. Study Plan

Approval of study plan abroad: students must, together with the **didactic secretarial office** of the Degree Course, organize a study plan including the exams, lessons and training that they will do abroad and obtain prior authorization so that, on their return from their study period abroad, their exams and training can be approved by the **Programme Board (C.C.S.)** of Dietetics. The study plan must be consigned to the Erasmus office of the Faculty within the expiry date foreseen by the host University for the enrolment of Erasmus students in the first or second semester. On return to Italy, in order to officially register their credits obtained abroad, students must consign the necessary documentation to the Erasmus office.

EXPIRY DATES AND PROCEDURES FOR ALL STUDY COURSES

Applications must be completed on-line by **28/02/2018** by connecting to: <http://torvergata.llpmanager.it>.

attaching:

1) the printed page from the Totem with all the exams students have sat; **only** in cases where all the exams are not visible on the totem, students should include also a photocopy of their exam booklet.

2) Linguistic certification/diploma;

The provisional ranking list will be published online on the site: <http://torvergata.llpmanager.it> on 7/03/2018. Should students wish to appeal against the list, they must do so on unheaded paper (carta semplice) and send it to the Erasmus Office of their Faculty by 16/03/2018.

The definitive ranking list will be published online on 21/03/2018 on the site: <http://torvergata.llpmanager.it>.

The awarding of scholarships will take place on 30/03/2018- at 9.30am in the Fleming lecture hall.

The Medicine and Surgery scholarships will be assigned on 28/03/2018, at 10am, at the Erasmus office of the Faculty, room D18.

For all degree courses:

- a) Please note that “*cum laude*” is worth 0.2 points and is considered part of the score of that specific exam when calculating the average.
- b) The destination will be chosen by the winners of the selection when the Erasmus scholarships are awarded following the ranking list. Please note that students must be present on the day of the assignment of the scholarships in order to officially accept the award.

N.B: Once validated, the application cannot be modified. The ranking list will be compiled by the system according to the data provided by the students so it will be impossible to include or exclude exams that have been inserted erroneously. For this reason, including a number of exams that is different from the number established by the selection will automatically lead to the exclusion of the student from the ranking list.

Students who opt for the second semester and are enrolled in their final year probably will NOT be able to graduate in time in July after having terminated their Erasmus scholarship because time is needed to validate the exams taken abroad. In these cases, it will be possible to graduate in October of the same year .

IN CASES WHERE STUDENTS FAIL TO FOLLOW THE REGULATIONS OF THE ERASMUS OFFICE OR THE TERMS LAID OUT IN THE CALL, THEIR ERASMUS PERIOD WILL NOT BE VALIDATED

Please note: This English version of the call is made only for publicity purposes. For enforcing the call, resolving any dispute and for all legal purposes only the Italian version is valid.
