

## EUROPEAN FORMAT

## CURRICULUM VITAE

### PERSONAL INFORMATION

**Name:** Maria Teresa Voso

**Nationality:** Italian

---

### CURRENT POSITION

**Full Professor of Hematology**

Department of Biomedicine and Prevention

University of Rome "Tor Vergata"

**Director, UOSD Advanced Onco-Hematological Diagnostics**

Policlinico Tor Vergata, Rome

---

### EDUCATION AND TRAINING

**1984–1990**

MD, Medicine and Surgery

Catholic University of the Sacred Heart, Rome

**1990–1994**

Specialization in Hematology

Catholic University of the Sacred Heart, Rome

---

### PROFESSIONAL CAREER

#### WORK EXPERIENCE

**Since March 2023**

Full Professor of Hematology

**Since June 2025**

Member of the Board of Directors, Tor Vergata University, Rome, IT

**Since April 2019**

Director, UOSD Advanced Onco-Hematological Diagnostics

Policlinico Tor Vergata, Rome, IT

**April 2020-Dec 2025**

Coordinator, PhD Program in Immunology, Molecular Medicine and Applied Biotechnologies

**October 2018 – December 2019**

Head, Myelodysplastic Syndromes and Translational Hematology Unit

**April 2017**

National Qualification as Full Professor of Hematology

**Since September 2015**

Clinical appointment at Policlinico Tor Vergata, Rome

**Since November 2014**

Associate Professor of Hematology

University of Rome "Tor Vergata" and Policlinico Tor Vergata Foundation

**November 2011 – October 2014**

Adjunct Professor, Institute of Hematology

Catholic University of the Sacred Heart, Rome

**August 1999 – October 2014**

Senior Consultant (Level I) in Hematology

Policlinico Gemelli, Rome

**2002 – 2011**

University Researcher, Institute of Hematology

Catholic University of the Sacred Heart, Rome

**1997 – 1999**

Researcher, Cooperative Hematology-Oncology Unit

University of Heidelberg and German Cancer Research Center (DKFZ), Heidelberg, Germany

**1996**

Researcher, University of Heidelberg, Germany

Department of Internal Medicine V (Hematology-Oncology)

**1995**

Research Fellow, Institute of Medical Semiology

Catholic University of the Sacred Heart, Rome

(Directors: Prof. B. Bizzi / Prof. G. Leone)

**1992 – 1994**

Researcher, Laboratory of Prof. Daniel G. Tenen

Harvard Medical School, Boston, USA

---

**PERSONAL SKILLS AND COMPETENCES**

## CLINICAL ACTIVITY

- Director, UOSD Advanced Onco-Hematological Diagnostics, Policlinico Tor Vergata (since January 2020)
- Director, UOC Advanced Onco-Hematological Diagnostics, Policlinico Tor Vergata (May–December 2019)
- Head, Myelodysplastic Syndromes and Translational Hematology Unit (October 2018 – December 2019)
- Consultant Hematologist and attending physician at:
  - University Hospital of Heidelberg, Germany (1996–1999)
  - Policlinico A. Gemelli, Rome (1999–2014)
  - Policlinico Tor Vergata, Rome (2015–present)
- Internal Medicine on-call duties and hematology consultancy at Policlinico Gemelli (1999–2014)
- Hematology on-call duties at:
  - Policlinico Heidelberg (1996–1999)
  - Policlinico Tor Vergata (2015–2019)
- Principal Investigator for multiple clinical trials in Acute Myeloid Leukemia and Myelodysplastic Syndromes (since 2012)

## MAIN CLINICAL AND SCIENTIFIC INTERESTS

- Biology and treatment of Myelodysplastic Syndromes and Acute Myeloid Leukemia (de novo and therapy-related)
- Molecular diagnostics of myeloid neoplasms
- Epigenetic alterations in MDS and AML
- Role of transcription factor PU.1 in normal hematopoiesis and acute leukemias
- Lymphoma treatment

---

## SCIENTIFIC ACTIVITY

Thanks to continuous clinical and research activity in hematology, including research periods at Harvard Medical School (Boston) and the University of Heidelberg, Prof. Voso is the author of **348 peer-reviewed publications** in leading hematology journals (**H-index: 55, Jan 2026**).

PubMed link: <https://pubmed.ncbi.nlm.nih.gov/?term=voso%2C+mt>

She has been an invited speaker at numerous national and international congresses and advanced training courses.

---

## ACADEMIC TEACHING

- Hematology, MD Program, University of Rome Tor Vergata (since AY 2014–2015)
- PhD Program in Medical Biotechnology and Translational Medicine, University of Rome Tor Vergata (since January 2015)

- Hematology, Specialization School in Human Genetics, Catholic University of the Sacred Heart, Rome (AY 2013–2014)
- Hematology and Oncology, Nursing Degree Program, Catholic University of the Sacred Heart, Rome (AY 2011–2014)
- Molecular Diagnostics, Specialization School in Hematology, Catholic University of the Sacred Heart, Rome (2001–2019)
- Molecular Biology, Specialization School in Hematology, Catholic University of the Sacred Heart, Rome (2004–2016)
- Teaching activity in the PhD Program in Technological Applications in Hematology, Catholic University of the Sacred Heart, Rome (2006–2014)

Extensive tutoring activity for undergraduate and postgraduate thesis supervision.

---

## LANGUAGES

**Mother tongue:** Italian

**Other languages:**

- English – Excellent (reading, writing, speaking)
  - German – Excellent (reading, writing, speaking)
- 

## SCIENTIFIC SOCIETIES, BOARDS AND INSTITUTIONAL ROLES

- Italian Society of Hematology (since 2008)
  - Italian Society of Experimental Hematology (since 1999)
  - European Hematology Association (since 2015)
  - American Society of Hematology (since 2016)
  - Editorial Board Member, *BloodOnline.it* (since 2015); Editor-in-Chief 2019-2025
  - Board Member, Roman-Lazio MDS Group (GROM-L, 2011-)
  - Co-Chair, GIMEMA MDS Working Party (2016–2022)
  - Board Member, GIMEMA AML-MDS (since 2019)
  - Board Member, GIMEMA LABNET MDS (since 2016) and AML (since 2019)
  - Vice-President, Italian Society of Experimental Hematology (2014–2016)
  - President, Italian Society of Experimental Hematology (January 2021 – December 2022)
  - Past-President SIES (since January 2023-25)
  - Board Member, EHA AML Scientific Working Group (since June 2022)
  - Board Member, European School of Hematology (since January 2022)
  - Member of the EHA foundation Board (since 1/2026)
- 

Roma, 25/1/2026
