University of Rome TOR VERGATA

Please notice that the availability can change depending on the period.

The period of the clinical rotation must be accepted by GWU University. It lasts 4 weeks in May 2025. There is no scholarship for this program.

The commission of Tor Vergata University will make the final ranking, based on the motivation letter written by the student, the CV and the English certification, as following:

Motivation letter *max 30 points*

CV *max 20 points*

Language certification *max 5 points*

The winners have to present an international insurance before the departure, or they will be removed from the program.

The application must be applied before the 15th November 2024 (h 24,00) at this address:

paola.sinibaldi@uniroma2.it, in cc. salvatore.iachino@alumni.uniroma2.eu

Students will receive communication about the selection by email before the 30th of November.

For any further information you can contact Professor Paola Sinibaldi.
